## ALL IN

Take the leap. Sign on the dotted line. Hold nothing back. Commitment is hard... because it's costly. It requires courage and sacrifice. Often we are tempted to dip a toe in, rather than be submerged. Yet, Jesus was clear with His followers—He wanted nothing less than ALL of them. In this series, we'll hear the voice of Jesus calling us into an ever deeper, more committed relationship with Him. It's time to go All In.

## THIS WEEK'S QUESTIONS FOR FURTHER REFLECTION

1. Would you rather ride on the biggest, scariest roller coaster at Valley Fair or coast slowly down the Mississippi River in a boat?
2. When standing on the edge of a big decision or change in your life, what thoughts and feelings do you tend to have?
3. What does Jesus say will happen if we go "all in" with Him? What difference does knowing this promise make in your life?
4. How are you thinking and feeling about the transition at Hosanna? What do you believe God is saying to us about this significant season in our church's life?
5. Are you "jumping together" with others through intentional relationships and/or participating in a small group at Hosanna? What difference has this made in your faith journey?
